

THE MUST LIST

Ten Things We Love This Week

1

IDLEWILD

What's feisty, fun, and glittery all over? This toe-tapping romp of a film, which is set in a Prohibition-era speakeasy and—oh, yeah—stars those barons of bedazzlement, OutKast.

2. THE VENTURE BROS.

A hilarious Cartoon Network series about two knucklehead teens and their dopey adult guardians—a nifty homage to a tribe called *Johnny Quest*.

3. ALL AUNT HAGAR'S CHILDREN, by Edward P. Jones

Fourteen sprawling and muscular short stories from the author of *The Known World*.

4. GAME THEORY, the Roots

The new album from these always edgy Philly-based hip-hopsters is full of meaty lyrics and juicy bass beats. Love the *Game*, love the plays.

5. MADDEN NFL 07

Wives and girlfriends go unloved, lawns go untended, and showers go unused when this video-game invades our basements and living rooms.

6. INVINCIBLE

Mark Wahlberg is more beefcake than cheesesteak in this based-on-fact movie about a bartender who earns a spot with the Philadelphia Eagles.

7. ARRESTED DEVELOPMENT: SEASON THREE

The question isn't whether this DVD is more fun than a banana stand, it's what will we pimp now that the final season is released?

8. BROTHERHOOD

Thou shalt watch this Showtime drama, which follows a pair of Cain and Abel-type sibs as they navigate the sinful underbelly of Providence.

9. 'THE RICKY GERVAIS SHOW' PODCASTS

Season 3 begins—we're ready for our weekly doses of humor from Gervais, Stephen Merchant, and the very strange Karl Pilkington. (*iTunes store*)

At an international beer Olympics (sadly, a fictitious contest), American lager-heads try to out-chug the reigning Teutonic champs.
