FOETUS IN EXCELSIS CORRUPTUS DELUXE - "MALE"

the closest thing to trepanation without a power drill. the classix and more, immense 7 enveloping, intense and overpowering, a relentless rollercoaster of dynamics, emotion & killer grinds . A hammerheaded shark in the back seat, a pond of warm tuna in your shorts, a popper in your nose and Ted Bundy riding shoegun. Foetus recorded live - hear & Die happy.
